

Libertyville Review

Father, daughter ride for kidney awareness

September 22, 2011

DaVita Inc., a provider of kidney care services, announced that Rich Nee and his daughter Julia, both Libertyville residents, rode to raise money Sept. 18 for The Kidney TRUST to increase kidney awareness in the 2011 Tour DaVita bike ride through New England. The ride kicked off in the mountains of Great Barrington, Mass., and ended at the Atlantic Ocean in Madison, Conn. - all in the effort to raise awareness and funds in the fight against CKD.
